## IN THE NEWS

### GET TO KNOW WHOS NEW AT VERSATILE

Our Marketing Manager had the pleasure of interviewing Dan in his first couple of weeks on the job here at Versatile Mitre 10. We are so happy to have him onboard, bringing alot of industry knowlegde and a fresh set of eyes to the Versatile team. Now lets get into the details of "who is this guy?"

**Name-** Dan Watters

**Hobbies-** Writing novels- I am a published author!

**Favourite place to travel-** I dont have a favourite place. Ill travel anywhere! I love trying different locations, discovering amaz9ing architecture and good food.

**Reason why you like working at Versatile-** We're a third generation, family business. That means an extra level of care and attention, determination and drive to get it right. And that makes all the difference.

Thanks for letting us interview you Dan- It really is great to have good people on our team!  
Welcome on board!

# Feature Products

## Whats new and popular in T market?

Technology for your home has come leaps and bounds over the years- especially when it comes to security! Coming into the Christmas/New Year period is a very popular time for some unexpected guests.. So why not update your home security and make it look good while you are at it.

Versatile stock a range of brands that really set the bar for technology and style. A few products that we would like to shine a spotlight on this month.....

Gainsborough Freestyle Trilock is one product that really stands out.

Features include:

- Encrypted connection for advanced security
- Remote access, lock, deadlock or unlock your door using the Gainsborough Freestyle app on your mobile device
- 3-in 1 Function (passage/privacy/deadlock)
- Keyless entry via keypad or app
- Monitor your lock status
- Battery operated
- Assign,invite and schedule up to 20 users
- Emergency override keys included

Visit Versatile today to see this and a range of other brands listed below.
